Project: **CYCLONE BELLOWS BUS VACUUM SYSTEMS  
IFB # 10-GRTC-0801**

Issued By: Greater Roanoke Transit Company (GRTC)

To: Potential Bidders

The following are questions asked regarding IFB # 10-GRTC-0801 with answers:

**(1) Will the Contractor need a bid bond?**

**ANSWER:** No, the Contractor needs a labor and material payment bond.

**(2) Will electrical be supplied by GRTC for this project?**

**ANSWER:** Yes, GRTC will supply a point of power.

**(3) Will the Contractor need to submit layout drawings of the cyclone bellows bus vacuum system?**

**ANSWER:** Yes, a complete installation layout drawing will need to be submitted to GRTC for review before the fabrication of the cyclone bus vacuum system. The word "drawings" include basic fabrication, mechanical, electrical, and layout drawings as requested.
